Pricing

Rentals begin with a down payment equal to one month's rental fee plus Maintenance & Replacement (M&R) coverage.

Instrument	Monthly Rental Fee	M&R Coverage	Total
Violin	\$19	\$6	\$25
Viola	\$19	\$6	\$25
Cello	\$29	\$8	\$37
Bass	\$49	\$8	\$57

Maintenance & Replacement (M&R)

Over the course of rental, repairs will be necessary to keep your instrument in playing condition. Renters have the choice to pay for repairs as needed, or you can add M&R for a low monthly fee.

Maintenance & Replacement (M&R) covers...

Regular Tune-Ups • Normal Wear & Tear
Accidental Damage • Strings • Bows
Loss by Fire, Theft, or Flood

...for only **\$6** or **\$8 per month**,
depending on the instrument.

Just with yearly servicing, M&R saves you money—
even without accidents!

When You Are Ready to Buy

With each monthly payment, renters accrue equity to apply toward a purchase.

Up to **36 months** of continuous rental fees may be applied toward a full-size intermediate- or professional-level string instrument of your choice.
